Just want to thank you all for the updates. I know you have filled me in on your cases before, but it made my life easier to get the info all at once again. Really appreciate it. I'll keep ya posted on how the meeting goes!

Hi All-

I need to report out on these elevated cases tomorrow. I know you have described them to me in emails and on the phone, but can you add one or two sentences to your case below (non CBI) that sums up the status of the case and why the submitter is elevating. Thank you!

Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?
